

Sponsoring a GRAPE meeting is a great way to reach GRAPE members and potential referrals!

Benefits of Meeting Sponsorship

- ✓ Complimentary ad in the GRAPEvine newsletter the month of the event.
 - ✓ Event post with your company logo on the GRAPE website, in the GRAPE newsletter and on social media, including several reminders.
 - ✓ All meeting sponsor logos on the GRAPE website.
 - ✓ A company banner and/or opportunity to distribute collateral materials to the members attending the meeting.
 - ✓ An opportunity to speak for 3-5 minutes to the group about your program/organization prior to the main speaker at the meeting.
 - ✓ End of year recognition for all meeting sponsors.
- *We are planning in person meetings for the 2021/2022 year, however if anything changes with state gathering guidelines and host limitations we would move to a virtual format.
